Sir:

**RENEWED PETITION TO WITHDRAW HOLDING OF ABANDONMENT BASED ON
FAILURE TO RECEIVE OFFICIAL ACTION (MPEP §711.03(c) and 37 CFR §1.181)**

This responds to the Decision on Petition mailed December 1, 2008 dismissing a Renewed Petition to Withdraw Holding of Abandonment filed September 23, 2008 and responds to the reviewer's comments at the top of page 2 regarding the appropriate "docket record" to satisfy the requirement that petitioner provide an explanation of the Nixon & Vanderhye docketing system. In particular the decision of December 1, 2008 comments "Petitioner has not furnished complete copies of the relevant pages from the computerized docketing records showing ALL cases docketed for response on or around 29 July 2007. Such sheets would be highly probative, in corroborating the indicia appearing in the hand-written master docket record. Petitioner should either provide copies of said electronic record ...".

Responsive to the invitation to provide further documentation, submitted herewith are copies of the electronic docketing records of Nixon & Vanderhye P.C. covering the time period

DE SANTIS et al.
Appl. No. 10/590,936

from July 27 through August 1, 2007 which are the days around the July 29, 2007 due date for the subject application. Note that this report not only indicates the due date but also the mailing date of the Official Action to which response is being made.

Counsel believes that the attached report responds to the questions presented and satisfies corroborating information of the type required in the communication of December 1, 2008.

Should the reviewer require further information or wish to discuss this matter, please contact the undersigned at the number indicated.

Further favorable consideration is solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
